

REMARKS

For purposes of this amendment, the applicant assumes the amendment filed March 25, 2005 was entered by the examiner. Claims 1-26 are pending in the application prior to this amendment.

The examiner allows claims 2-8, 10-14, 16-18, and 26 to be allowed. The examiner rejects claims 1, 9, 15, and 19 under 35 U.S.C. § 102(e) as being anticipated by Kim (U.S. 6,219,023). The Examiner rejects claim 22 under 35 U.S.C. § 103(a) as being unpatentable over Kim in view of Choi et al (U.S. 5,742,349). The Examiner rejects claims 20-21 and 23-25 under 35 U.S.C. § 103(a) as being unpatentable over Kim in view of Imaizumi et al (U.S. 2002/0158868).

The applicants cancel claims 1, 9, 15, and 19-25 and amend claim 18 for typographical errors.

The application remains with claims 2-8, 10-14, 16-18, and 26 after entering this Amendment.

The applicants add no new matter and request reconsideration.

Claim Objections

The applicants thank the Examiner for allowing claims 2-8, 10-14, 16-18, and 26.

While the applicants continue to disagree with the examiner regarding the teachings of Kim as applied to claims 1, 9, 15, and 19-25 as expressed in detail in the immediately previously filed amendment, the applicants have amended the application to leave only allowed claims pending. More particularly, the applicants cancel un-allowed claims 1, 9, 15, and 19-25, without prejudice to presenting these claims in a continuation application, to expedited prosecution and issuance of the present application.

The applicants amend claim 26 to correct a typographical error.

Conclusion

The applicants request reconsideration and allowance of all remaining claims. The applicants encourage the Examiner to telephone the undersigned at (503) 222-3613 if it appears that an interview would be helpful in advancing the case.
